

Volume 4: Appendices

Table of Contents

Chapter No.	Chapter Title	Appendix No.	Appendix Title
4	Description of the Proposed Development	4.1	Outline Construction Environmental Management Plan
6	EIA Methodology, Scoping and Consultation	6.1	2013 Shepherds' Rig Scoping Report
		6.2	2013 Shepherds' Rig Scoping Opinion
		6.3	2018 Updated Shepherds' Rig Scoping report
		6.4	2018 Shepherds' Rig Scoping Opinion
8	Landscape and Visual	8.1	LVIA Assessment Criteria
		8.2	Information to be read in conjunction with Visualisations
		8.3	Viewpoint Assessment
		8.4	Residential Visual Amenity Study
		8.5	Assessment of Cumulative Effects with Scoping Sites
			Cumulative visualisations including schemes in scoping are included in Volume 3
9	Ecology	9.1	Phase 1 Habitat Survey Report
		9.2	Protected Species
		9.3	Bats Survey Report
		9.4	Fisheries Survey Report
10	Ornithology	10.1	Ornithology Technical Report
		10.2	Collision Risk Modelling Report
		10.3	Confidential Ornithology Appendix: Scarce Breeding Bird Records Figure
11	Cultural Heritage	11.1	Heritage Desk Based Assessment
12	Geology and Peat	12.1	Peat Slide Risk Assessment
		12.2	Outline Peat Management Plan
		12.3	Preliminary Borrow Pit Assessment
14	Noise	14.1	Confidential Noise Appendix: Performance Specification V117-4.0/4.2 MW 50/60 Hz Strong Wind (Restricted Vestas Document)
		14.2	Survey Record Sheets
		14.3	Certificate of Calibration
15	Traffic and Transport	15.1	Abnormal Load Route Assessment
21	Climate Change and Carbon Balance	21.1	Carbon Calculator Results
